April 22, 2025

*OG Investor Session includes presentations from Organigram Global's senior leadership team, tours of its five state-of-the-art facilities, and a live investor Q&A session*

TORONTO--(BUSINESS WIRE)-- Organigram Global Inc. (NASDAQ: OGI) (TSX: OGI), (the “Company” or “Organigram Global”), Canada’s #1 cannabis company by market share, is pleased to share the full recording of its recently held OG Investor Session, now available online for shareholders, analysts, and industry stakeholders.

To access a recording of the event please [click here](#) or visit [www.organigram.ca/investors](http://www.organigram.ca/investors).

“This session was a way for Organigram to engage directly with investors and industry stakeholders seeking a deeper understanding of our growth trajectory and where we see opportunity within the cannabis industry at large,” says Beena Goldenberg, CEO of Organigram Global. “While the sector continues to mature, it remains dynamic, and this session was an opportunity to speak directly to investors and stakeholders alike about how we’re navigating this evolving landscape, what we’ve accomplished, and the efforts underway to drive long-term shareholder value. I’d like to thank everyone who joined us live and hope those that were not able to make it enjoy the recording.”

The OG Investor Session was a virtual event tailored for the investment community and cannabis industry stakeholders. Now available on demand, it features comprehensive updates from select members of Organigram's senior leadership team and offers a rare behind-the-scenes look at the Company's five state-of-the-art facilities across Canada.

Key themes include:

- Strengthening Organigram's position as a global leader in branded cannabis products
- Leveraging science and IP to drive product innovation and margin expansion
- Updates on cost-efficiency programs and automation across production
- Progress on international sales and regulatory developments
- A live Q&A segment addressing investor-submitted questions

The recording serves as a valuable resource for those who could not attend live and for anyone seeking deeper insight into Organigram Global's performance, strategy, and forward momentum.

## About Organigram

Organigram Global Inc. is a NASDAQ Global Select Market and TSX listed company whose wholly owned subsidiaries include Organigram Inc., a licensed cultivator and processor. Through its recent acquisition of Collective Project Limited, Organigram Global participates in the US and Canadian cannabinoid beverages markets.

Organigram Global is focused on producing high-quality cannabis for adult recreational consumers, as well as developing international business partnerships to extend the Company's global footprint. Organigram Global has also developed and acquired a portfolio of legal adult-use recreational cannabis brands, including Edison, Holy Mountain, Big Bag O' Buds, SHRED, SHRED'ems, Monjour, Tremblant Cannabis, Trailblazer, BOXHOT, DEBUNK and Collective Project. Organigram Global operates facilities in Moncton, New Brunswick and Lac-Supérieur, Quebec, with a dedicated edibles manufacturing facility in Winnipeg, Manitoba. The Company also operates two additional cannabis processing facilities in Southwestern Ontario; one in Aylmer and the other in London. The facility in Aylmer houses best-in-class CO2 and Hydrocarbon extraction capabilities, and is optimized for formulation refinement, post-processing of minor cannabinoids, and pre-roll production. The facility in London will be optimized for labelling, packaging, and national fulfillment. The Company is regulated by the Cannabis Act and the Cannabis Regulations (Canada).
