(the “Corporation”)

***CHARTER OF THE BOARD OF DIRECTORS***

This Charter of the Board of Directors (the “**Charter**”) was adopted by the board of directors of the Corporation (the “**Board**”) on August 26, 2019 and last reviewed and revised on September 18, 2023.

**1. Purpose**

The purpose of this Charter is to set out the mandate and responsibilities of the Board of the Corporation. Pursuant to the *Canada Business Corporations Act* (the “**Act**”) governing the Corporation, the Board is responsible for managing, or supervising the management of, the business and affairs of the Corporation. By approving this Charter, the Board confirms its responsibility for the stewardship of the Corporation and its affairs. This stewardship function includes responsibility for the matters set out in this Charter. This Charter is a broad policy statement and is intended to be part of the Board’s flexible governance framework. The responsibilities of the Board described herein are pursuant to, and subject to, the Act and the by-laws of the Corporation in effect from time to time and do not impose any additional responsibilities or liabilities on the directors at law or otherwise.

**2. Composition**

The Board shall be constituted with a majority of individuals who qualify as “independent” within the meaning of National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”). If at any time a majority of the Corporation’s directors are not independent because of the death, resignation, bankruptcy, adjudicated incompetence, removal or change in circumstance of any director who was an independent director within the meaning of NI 58-101, the remaining directors shall appoint a sufficient number of directors who qualify as “independent” to comply with this requirement at their earliest convenience. Pursuant to NI 58-101, an independent director is one who is free from any direct or indirect relationship which could, in the view of the Board, be reasonably expected to interfere with a director’s independent judgment.

The Board shall elect an independent director, within the meaning of NI 58-101, to act as Chair of the Board. The Board shall provide the Chair with a written mandate. If the Chair is not an independent director, then the Board shall elect an independent director to act as Lead Director of the Board and shall provide such Lead Director with a written mandate.

Directors must exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In this regard, they will comply with their duties of honesty, loyalty, care, diligence, skill and prudence.

In addition, members of the Board are expected to carry out their duties in accordance with policies and regulations adopted by the Board from time to time.

It is expected that Management will co-operate in all ways to facilitate compliance by the Board with its legal duties by causing the Corporation and its subsidiaries to take such actions as may be necessary in that regard and by promptly reporting any data or information to the Board that may affect such compliance.

#### **4. Expectations of Directors**

The Board has developed a number of specific expectations of directors to promote the discharge by the directors of their responsibilities and to promote the proper conduct of the Board.

- (a) ***Commitment and Attendance.*** All directors are expected to maintain a high attendance record at meetings of the Board and the committees of which they are members. Attendance by telephone or video conference may be used to facilitate a director's attendance.
- (b) ***Preparation for Meetings.*** All directors are expected to review the materials circulated in advance of meetings of the Board and its committees and should arrive prepared to discuss the issues presented. Directors are

encouraged to contact the Chair of the Board, and if one has been appointed and if appropriate, the Lead Director, and any other appropriate executive officer(s) of the Corporation to ask questions and discuss agenda items prior to meetings.

- (c) ***Participation in Meetings.*** Each director is expected to be sufficiently knowledgeable of the business of the Corporation, including its financial statements, and the risks it faces, to ensure active and effective, and candid and forthright participation in the deliberations of the Board and of each committee on which he or she serves.
- (d) ***Loyalty, Ethics and Personal Conduct.*** In their roles as directors, all members of the Board owe a duty of loyalty to the Corporation. This duty of loyalty mandates that the best interests of the Corporation take precedence over any other interest possessed by a director. Directors are expected to: (i) exhibit high standards of personal integrity, honesty and loyalty to the Corporation; (ii) project a positive image of the Corporation to news media, the financial community, governments and their agencies, Shareholders and employees; (iii) be willing to contribute extra efforts, from time to time, as may be necessary including, among other things, being willing to serve on committees of the Board; and (iv) disclose any potential conflict of interest that may arise with the affairs or business of the Corporation and, generally, avoid entering into situations where such conflicts could arise or could reasonably be perceived to arise.
- (e) ***Other Board Memberships and Significant Activities.*** The Corporation values the experience directors bring from other boards on which they serve and other activities in which they participate, but recognizes that those boards and activities also may present demands on a director's time and availability and may present conflicts or legal issues, including independence issues. Each member of the Board should, when considering membership on another board or committee, make every effort to ensure that such membership will not impair the member's time and availability for his or her commitment to the Corporation. Directors should advise the chair of the Corporate Governance, Nominating and Sustainability Committee before accepting membership on other public company boards or any audit committee or other significant committee assignment on any other board, or establishing other significant relationships with businesses, institutions, governmental units or regulatory entities, particularly those that may result in significant time commitments or a change in the member's relationship to the Corporation.
- (f) ***Contact with Management and Employees.*** All members of the Board should be free to contact Management at any time to discuss any aspect of the Corporation's business. Directors should use their judgement to ensure that any such contact is not disruptive to the operations of the Corporation. The Board expects that there will be frequent opportunities for members of

the Board to meet with Management in meetings of the Board and committees, or in other formal or informal settings.

- (g) ***Confidentiality.*** The proceedings and deliberations of the Board and its committees are confidential. Each member of the Board will maintain the confidentiality of information received in connection with his or her service as a director.
- (h) ***Cannabis Legislation.*** Board members shall maintain a current knowledge of the *Cannabis Act* (Canada) and other Canadian regulations governing the marketing, acquisition, production, storage, sale and shipment of cannabis in Canada.

## **5. Meetings**

The Board will meet not less than four times per year: three meetings to review quarterly results and one meeting prior to the issuance of the annual financial results of the Corporation. The Board shall meet periodically without Management present to ensure that the Board functions independent of Management. At each Board meeting, unless otherwise determined by the Board, an *in camera* meeting of independent directors will take place, which session will be chaired by the Chair of the Board or, if the Chair is not independent within the meaning of NI 58-101 and one has been appointed, the Lead Director. The Board will keep minutes of each meeting of the Board. A copy of the minutes will be provided to each member of the Board.

In discharging its mandate, the Board and any committee of the Board will have the authority to retain and receive advice from outside financial, legal or other advisors (at the cost of the Corporation) as the Board or any such committee determines to be necessary to permit it to carry out its duties. Any director may, subject to the prior approval of the Board, retain an outside advisor at the expense of the Corporation.

The Board appreciates having certain members of Management attend each Board meeting to provide information and opinions to assist the members of the Board in their deliberations. Management attendees who are not Board members will be excused for any agenda items which are reserved for discussion among directors only.

## **6. Board Meeting Agendas and Information**

The Chair and, if one has been appointed, the Lead Director, in consultation with Management of the Corporation, will develop the agenda for each Board meeting. Agendas will be distributed to the members of the Board before each meeting, and all Board members shall be free to suggest additions to the agenda in advance of the meeting.

Whenever practicable, information and reports pertaining to Board meeting agenda items will be circulated to the directors in advance of the meeting. Reports may be presented during the meeting by members of the Board, Management and/or staff, or by invited outside advisors. It is recognized that under some circumstances, due to the confidential nature of matters to be discussed at a meeting, it will not be prudent or appropriate to distribute written materials in advance.

**7. Telephone/Electronic Board Meetings**

A director may participate in a meeting of the Board or in a committee meeting by means of telephone, electronic or such other communications facilities as permit all persons participating in the meeting to communicate with each other, and a director participating in such a meeting by such means is deemed to be present at the meeting.

While it is the intent of the Board to follow an agreed meeting schedule as closely as possible, from time to time, telephone board meetings may be called in order for directors to be in a position to better fulfill their legal obligations. Alternatively, Management may request that the directors approve certain matters by unanimous written consent.

**8. Measures for Receiving Shareholder Feedback**

All publicly disseminated materials of the Corporation shall where possible and subject to applicable law provide for a mechanism for feedback of Shareholders.

**9. Expectations of Management**

Management shall be required to report to the Board at the request of the Board on the performance of the Corporation, new and proposed initiatives, the Corporation's business and investments, Management concerns and any other matter the Board or its Chair may deem appropriate. In addition, the Board expects Management to promptly report to the Chair or, if one has been appointed and if appropriate, the Lead Director, any significant developments, changes, transactions or proposals respecting the Corporation or its subsidiaries.

**10. Communications Policy**

The Board shall approve the content of the Corporation's major communications to Shareholders and the investing public including any annual report, management information circular, annual information form and any prospectuses which may be issued. The Audit Committee shall review and recommend to the Board the approval of the quarterly and annual financial statements (including the management's discussion & analysis) and press releases relating to financial matters. The Board also has responsibility for monitoring all of the Corporation's external communications. However, the Board believes that it is the function of Management to speak for the Corporation in its communications with the investment community, the media, customers, suppliers, employees, governments and the general public.

The Board shall have responsibility for reviewing the Corporation's policies and practices with respect to disclosure of financial and other information including insider reporting and trading. The Board shall approve and monitor the disclosure policies designed to assist the Corporation in meeting its objective of providing timely, consistent and credible dissemination of information, consistent with disclosure requirements under applicable securities law. The Board shall review the Corporation's policies relating to communication and disclosure on an annual basis.

Generally, communications from Shareholders and the investment community will be directed to Management, who will coordinate an appropriate response depending on the nature of the communication. It is expected, if communications from stakeholders are made to any individual

members of the Board, that Management will be informed, if appropriate, and consulted to determine any appropriate response.

### **11. Internal Control and Management Information Systems**

The Board has oversight for the integrity of the Corporation's internal control and management information systems. All material matters relating to the Corporation and its business require the prior approval of the Board, subject to the Board's ability to delegate such matters to, among others, the Corporation's Audit Committee, Corporate Governance, Nominating and Sustainability Committee, Compensation Committee, Investment Committee and Management. Management is authorized to act, without Board approval, on all ordinary course matters relating to the Corporation's business.

The Audit Committee has responsibility for ensuring internal controls are appropriately designed, implemented and monitored and for ensuring that Management and financial reporting is complete and accurate, even though Management may be charged with developing and implementing the necessary procedures.

### **12. Delegation of Powers**

The directors may establish one or more committees and may, subject to the Act and other applicable laws, delegate to such committees any of the powers of the Board. The directors may also, subject to the Act and other applicable laws, delegate powers to manage the business and affairs of the Corporation to such of the officers of the Corporation as they, in their sole and absolute discretion, may deem necessary or desirable to appoint, and define the scope of and manner in which such powers will be exercised by such persons as they may deem appropriate.

The Board retains responsibility for oversight of any matters delegated to any director(s) or any committee of the Board, to Management or to other persons.

### **13. Board Effectiveness**

The Board shall review and, if determined appropriate, approve the recommendations of the applicable committee of the Board, if any, concerning formal position descriptions for the Chair of the Board and, if one has been appointed, the Lead Director, and for each committee of the Board, and for the Chief Executive Officer, provided that in approving a position description for the Chief Executive Officer, the Board shall consider the input of the Chief Executive Officer and shall develop and approve corporate goals and objectives that the Chief Executive Officer is responsible for meeting (which may include goals and objectives relevant to the Chief Executive Officer's compensation, as recommended by the applicable committee of the Board, if any).

The Board shall review and, if determined appropriate, adopt a process recommended by the Corporate Governance, Nominating and Sustainability Committee of the Board, if any, for reviewing the performance and effectiveness of the Board as a whole, the committees of the Board and the contributions of individual directors on a periodic basis.

#### **14. Director Tenure Policy**

The following terms are applicable to all directors who are not also executive officers of the Corporation (“**Non-Executive Directors**”) subject to being annually re-elected by Shareholders:

- (a) Non-Executive Directors shall not stand for re-election at the annual general meeting of Shareholders following the latter of his or her 75<sup>th</sup> birthday and 15 years of Board tenure.
- (b) The Board, with the approval of a majority of the incumbent directors, may extend the term of any such Non-Executive Director for up to a three year period.

#### **15. Education and Training**

The Board will provide newly elected directors with an orientation program to educate them on the Corporation, their roles and responsibilities on the Board or committees, as well as the Corporation’s internal controls, financial reporting and accounting practices. In addition, directors will, from time to time, as required, receive: (a) training to increase their skills and abilities, as it relates to their duties and their responsibilities on the Board; and (b) continuing education about the Corporation to maintain a current understanding of the Corporation’s business, including its operations, internal controls, financial reporting and accounting practices. The Corporation shall also provide corporate membership to the Institute of Corporate Directors (“**ICD**”) for its Board members and Directors shall keep abreast of the routine publications of the ICD.

#### **16. Inconsistencies with Applicable Laws**

In the event of any conflict or inconsistency between this Charter and the provisions of the Act or other applicable laws, in each case as amended, restated or amended and restated from time to time, the provisions hereof shall be ineffective and shall be superseded by the provisions of the Act or such other applicable laws to the extent necessary to resolve such conflict or inconsistency.
